Re: Restaurant Footwear Requirement

Dear Mr. Sands:

Thank you for your letter dated January 15, 2025. The Indiana Retail Food Code (410 IAC 7-24) focuses on safe food handling practices by both owners and employees. We are not aware of any state health department regulations that mandate customer footwear requirements.

If you have any additional questions, please contact Mariah Allen at 317-233-1974 or retailfoodprogram@health.in.gov.

Sincerely,

Lindsay M. Weaver, MD, FACEP
State Health Commissioner
