Dear Mr. Rock:

I would appreciate your assistance with some research I am conducting.

Does the Oregon Dept. of Agriculture have any laws, codes, or regulations requiring *customers* or *patrons* to wear shoes or other footwear in grocery stores, convenience stores, or any other type of business it may regulate?

Of course I am aware that any private business has a right to establish any dress code it desires, and I am not questioning that. I'm only asking if there are any official regulations to that effect enforceable by your department.

Thank you for considering my request. I look forward to hearing from you at your earliest convenience.

Sincerely yours,
