MISSISSIPPI STATE DEPARTMENT OF HEALTH

March 6, 2025

Dear Mr. Sands:

We are happy to help with your research in anyway we can.

The Mississippi State Department of Health does not have any laws, codes, or regulations requiring customers or patrons to wear shoes or other footwear in restaurants, grocery stores, convenience stores, or any other type of business it regulates.

Our regulations typically focus on the business side. Any regulations we have around attire, hygiene, etc. are generally for the people preparing and serving the food.

Thank you for reaching out. Please feel free to contact us if you have any further questions.

Sincerely,

(Mrs.) Brittany Partridge
